The Adopt a Christchurch Family Trust is pleased to advise you that 100% of your \$3000 of your very generous \$5525 donation has been passed on to a family of five in Woolston. The balance of this will go to another family which we will let you know about in due course.

This is a family of a mum and dad and three children – one seven year old boy who has had some serious health issues and a 16 year old daughter and 2 year old. They have been displaced from their community since the earthquake as their home is very damaged and with leaking sewage they had to evacuate immediately so as not to put their son at further risk. They have found a rental property but with their home damaged and waiting for assessment this all requires extra money that they do not have. Mums hours have also been cut down with her job as a caregiver.

You have supported this family by financially assisting to help with some rent payments and replacing of damaged house hold goods, bedding and clothing for the children. Also extra petrol costs to bring the children over to school each day.

On behalf of the Trust an enormous thank you for your wonderful generosity and support of this Christchurch family in need.

Kind Regards
Julie Glass
