Kia Ora Bronwyn Kay

The Adopt a Christchurch Family Trust is pleased to advise you that 100% of your very generous \$525 has been passed on to this family living in Avonside.

This is a family of a mum and her four children aged 14 to four years old. Their home was damaged in Avonside and they have been unable to get bond money back from the landlord. The family have found another place to rent thankfully as they have been living with relatives which is unsettling for the children with the over crowding. As the mum works she is not eligible for assistance through housing New Zealand but is finding life very tough financially at the moment.

You have supported this family by contributing towards funding bond for their rental property.

On behalf of the Trust an enormous thank you for your wonderful generosity and support of this Christchurch family in need. This is the last of the families that you have supported with your very kind donation.

Kind Regards
Julie Glass
