Kia Ora Bronwyn Kay

The Adopt a Christchurch Family Trust is pleased to advise you that 100% of your very generous \$2000 has been passed on to this family living in Papanui.

This is a family of a mum and dad and their two children – one only a few weeks old. Dad worked in the CBD in a restaurant which is no longer able to operate so has had to go onto the unemployment benefit now the job loss scheme has finished. They had damage to household items and are waiting like a lot of people to be paid out. As they have a young baby a washing machine is vital which they can not afford to replace. They were financially committed prior to the quake and with the drop in income they are finding life very stressful.

You have supported this family by contributing towards a washing machine and rental payments to allow the family to catch up financially. They are extremely grateful for your assistance.

On behalf of the Trust an enormous thank you for your wonderful generosity and support of this Christchurch family in need.

Kind Regards  
Julie Glass
